Rules and Regulations

So that you understand the rules on race day, please take the time to read and understand the rules in the Athlete Guide and the 2019 ATA Competitive Rules.

The POSITION violations are summarized:

Always ride on the right side of your lane to avoid an ILLEGAL POSITION or BLOCKING call.

Keep four bike lengths (seven meters) between your bike's front wheel and the rear wheel of the cyclist in front of you to avoid a DRAFTING call.

Always pass on the left of the cyclist in front of you; never on the right to avoid an ILLEGAL PASS call. Complete your pass within 20 seconds to avoid a DRAFTING call.

If passed, drop back four bike lengths before attempting to re- pass to avoid an OVERTAKEN or DRAFTING call.

Triathlon is an individual event, and it is your responsibility to fully understand the rules and avoid penalties. The referee's ruling is final in the case of POSITION violations, and there are no protests or appeals.

Other common violations include:

HELMET CHINSTRAP

Your chinstrap must be securely fastened whenever you are on your bike on race day.

You must wear your bib number only during the run portion of the race. In addition, your bike number must be properly attached to your bike and must be visible.

Remember that even though DRAFTING is not the only violation that incurs a time penalty, you must go to a penalty tent for any violation to have your number marked, and all violations count toward your three strikes. There will be no penalty tents on the run. If you are penalized on the run, the official will mark your number on the spot.

Please treat other athletes, all volunteers, and your referees with courtesy and consideration. Not doing so is UNSPORTSMANLIKE CONDUCT and may result in disqualification. We sincerely hope you have a great race and achieve all your goals.

BLOCKING VIOLATION BLUE CARD, STRIKE TWO

PRE-EVENT SWIM ADVISEMENT

Allan Beach Swimming Policy: Allan Beach is a private area and we are lucky to have such a great arrangement with the community. Due to the size of the race in 2018 there will be **NO PRACTICE SWIM ON SATURDAY JULY 6th**, failure to respect this will result in immediate disqualification.

The Great White North wishes to caution all participants that it does not provide lifeguard services prior to the event, and that all participants who swim prior to race day will do so at their own risk. While we make reasonable efforts to inspect the swim entry and exit points for underwater hazards, the inspection does not take place until just before the swim discipline starts. Participants are further admonished to exercise caution and use common sense if they elect to swim prior to the event and to be mindful of underwater hazards. Keep in mind that this is a natural body of water and is subject to hidden hazards including, but not limited to: underwater obstructions, weeds, water craft and indigenous marine life.
